Notice of Change of Address
Effective on May 5, 2008

As of May 5, 2008, the Hawaii Department of Public Safety alleges that the Petitioner will be released from incarcerated status (custody); accordingly, the petitioner requests that legal documents from the court be sent to the following address after May 5, 2008:

anthony L. Regan
 330 Addstine
 New Braunfels,
 TX.

78130

But because it currently takes about 5-8 days for petitioner to receive court docs. from the date they were sent, it may be more practical for the court to start sending court docs. to the new above said address on May 1, 2008.

Declaration

I declare under the penalty of perjury that I've given notice to the Attorney General at 425 Queen st of my release date and informed them of my new address on the 5th the same day that I've sent this to the court.
